Academic Year 2023

English Proficiency Exam

What ?

The Faculty of ICT has established graduation criteria for students of the Bachelor of Science in ICT (International Program).

Part of these criteria includes passing an English Proficiency Exam in order to ensure our students have the appropriate English level at graduation.

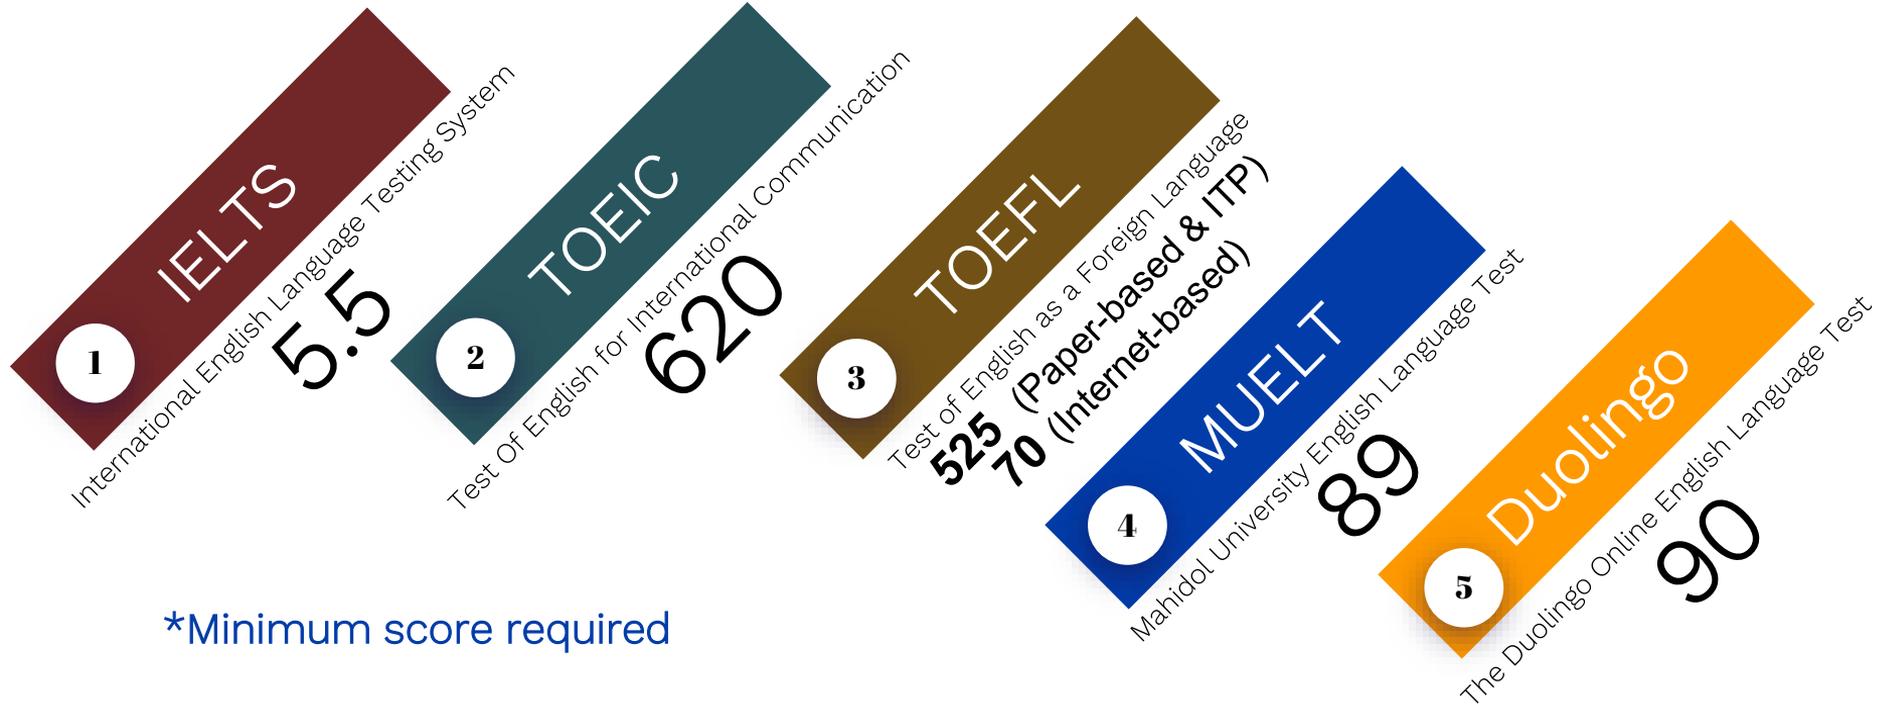

The Faculty of ICT allows scores from four major internationally accepted English proficiency exams, namely **TOEIC, IELTS, TOEFL, and Duolingo**, as well as the **MU-ELT**, which measure the minimum level of English necessary for ICT graduation.

Thus!

All MUICT students are required to complete this for graduation

English Proficiency Test Scores for Graduation

- × Now we accept English Proficiency scores from all 1st, 2nd, 3rd & 4th year students as follows:

*Minimum score required

How to submit your score

1

Submit the original score certificate to P' Itthiphol at the ICT counter for review and verification of the document submission.

The original certificate will be returned to you after the verification.

2

After the verification completed, P Itthiphol will provide you the link to submit the score

3

The list of successful students with English Proficiency score will be announced at the beginning of each month. This will serve as the email confirmation of your Exit Exam score.

4

Contact P' Itthiphol at Itthiphol.mak@mahidol.edu, if you've submitted your score but your name is not included in the confirmation list.

5

If you have any questions regarding the process of submission, please contact P' Itthiphol 089-8088399 Itthiphol.mak@mahidol.edu.

Need more information.?
